Reference: COVID-19 Preparedness Update

Dear Sir and Madam:

As your local utility provider in the community of Harmony, our commitment to you is the health and safety of our customers and your families. HAWSCO engages Corix Utilities to operate our Water and Wastewater facilities and they are your primary point of contact regarding service, billings and questions in Harmony.

We are sharing with you a notice received from Corix Utilities outlining their commitment to provide safe water and wastewater services during the COVID-19 crisis. If you have any questions or concerns please contact communications@corix.com.

As this is an evolving situation, please continue to refer to their webpage for updates.

We thank you for your understanding.

Best,

Harmony Advanced Water Systems Corporation
