

CORIX Water Products has everything you need for your indoor cannabis grow facility. As your equipment supply partner for your turnkey indoor manufacturing operation, we provide quality service and solutions from irrigation supplies, heat exchangers and pumps to cannabis shredders, water meters and sensors, pipe and fittings, and specialty products.

With branches throughout Canada, our team is committed to providing expert knowledge and superior customer service. We offer a comprehensive and flexible approach to delivering the right solution, from product and equipment supply to full system design, construction, operations, and maintenance. Let our team assist you in selecting the right products or help with setting up controls or monitoring water usage for your grow cycles.

Some of the products we can offer for your indoor grow manufacturing facility include:

- Stainless steel pipe
- High-density polyethylene (HDPE) pipe
